High powered Committee to review the representation of SC/ST in Delhi Administration

3058. SHRI RAM AWADESH SINGH:

SHRI RAM NARESH KUSHAWAHA:

Will the Minister of HOME AFFAIRS be pleased to state:

(a) the number of occasions the High Powered SC/ST in Delhi Administration held its meetings since its constitution and what is the result of the review

made by the Committee on each occasion during the last three years; and

(b) the extent to which the Committee has been instrumental in maintaining the representation of SC/ST in the various Departments of the Delhi Administration?

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI CHINTAMANI PANIGRAHI): (a) and (b) The High Powered Committee which was constituted in October, 1976 met on the 20th June, 1977, 19th October, 1978, 20th September, 1984 and the 27th October, 1986. The Committee in these meetings reviewed the progress made in the representation of Scheduled Castes/ Scheduled Tribes in service. The Committee directed that special drives be undertaken and wide publicity be given for recruitment of Scheduled Castes/Scheduled Tribes. As a result, the representation of Scheduled Castes/Tribes in various services under the Delhi Administration has improved.

Anticipated shortfall in the nuclear power target

3059. SHRI KRISHNA KUMAR BIRLA: Will the PRIME MINISTER be pleased to state:

(a) whether almost all the existing atomic power plants in the country have been continuously facing trouble and with the plants under construction running behind schedule a massive shortfall in nuclear power target set for 2004 AD is anticipated;

(b) if so, what is the average percentage of the nuclear power production as against the capacity during the last three years year-wise in respect of each of the atomic power plants, stating the major constraints for the unsatisfactory performance; and

(c) what is the estimated cost escalation in respect of each of the ongoing atomic power plants in the country stating the period by which their completion has been delayed and the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF SCIENCE AND TECHNOLOGY AND MINISTER OF STATE IN THE DEPARTMENTS OF OCEAN DEVELOPMENT ATOMIC ENERGY, *ELECTRONICS AND SPACE (SHRI* K. R. NARAYANAN): (a) The two units of Tarapur Atomic Power Station and Rajasthan Atomic Power Station Unit-II are operating satisfactorily. Rajasthan Atomic Power Station Unit-I is not operating owing to development of cracks in its southend shield. After initial satisfactory operation, both units of Madras Atomic Power Station faced problems connected with conventional equipment such as turbo-generator vibrations and transformer failure, which have been overcome. In addition, Madras Atomic Power Station Unit-II encountered a problem with its fuel transfer system which has been attended to. Amongst the projects under construction only Narora Atomic Power Projects is not progressing as per schedule. Work has commenced on Rajasthan Atomic Power Project Unit-III and IV and Kaiga Atomic Power Project. Given adequate financial inputs, it is feasible to achieve the target of 10,000 MWe set for the year 2000 A. D.

(b) Average percentage of Nuclear power production as against the capacity during the last three (year-wise) years in
